

Financial Aid Application Process

All tuition assistance is given on the basis of demonstrated need. In order to provide impartiality and fairness to all families, need is assessed by FACTS Grant and Aid Assessment, a third-party provider. **Only families who complete the FACTS application process are eligible for tuition assistance.** Assessments are then reviewed by a Tuition Assistance Committee to determine the amount of aid awarded. Families will be awarded aid based upon availability of tuition assistance funds and are not guaranteed.

Once the application process is completed, FACTS will forward your needs assessment to Gross Catholic. Our Tuition Assistance Committee will use this information to determine your level of financial assistance based on income, household size, and other factors. All information it reviews, financial or otherwise, is held in strict confidentiality.

To be eligible for any financial assistance, families are required to apply through the FACTS Grant and Aid portal by March 31st. Application evaluations start March 15th, we will send individual tuition agreements to families throughout April and May.

Start your FACTS Grant and Aid Application : <https://online.factsmgt.com/aid>

School Code: GROSS-NE FACTS Customer Service (866) 441-4637.

You will need your 2021 or 2022 Tax Return and copies of your W2(s) to submit with your application, there is a \$35 application fee. If you are applying for aid at multiple schools through FACTS you only need to complete one application, you are able to list multiple schools in the application.

Work Study Program

Students in this program can earn up to \$1000 in tuition credit for 80 hours of work scheduled in one or more of the sessions throughout the year (summer, fall, winter, spring) after school and/or during non-school days. Work study is intended to fit the student's schedule. This work includes but is not limited to: cleaning, light maintenance, gardening, clerical office work. The sign-up for the 2023/2024 school year is included in your enrollment/re-enrollment packets online via the FACTS Family Portal. Placement in the program is not guaranteed as there is limited availability of work in each session.

Scholarships and Grants

Additional scholarship and grant information can be found on our website at <https://grosscatholic.org/be-a-cougar/grants/>
